Festival Art Selling Procedure	<p>The Arts Center handles all processing of sales during the Outdoor Arts Festival at the Arts Center “Buying Tent”. Guests “shop around” through exhibits and collect Buying Cards from Artists. Each artist is given 18 buying slips at the beginning of the Festival. Each Artist is responsible to note their own name, product sold, cost, and customer’s name and contact information on each Buying Card. Each artist is assigned a “unique” buying code which needs to be written by artist on each Buying Card. This “unique” number is how the Arts Center tracks the sales of each individual participating artist.</p> <p>Buyers bring their Buying Cards to the Arts Center’s Buying Tent when ready to pay for purchases. Sales tax is added at the Buying Tent. Buying Cards are stamped PAID by the Arts Center. Arts Center keeps the white copy of the buying card. Buyers receive a cash register receipt and the yellow copy of the buying card stamped PAID by the Arts Center. Buyers return to corresponding Exhibitors to pick up purchases, give the stamped yellow copy of the buying card to the Artist and keep the cash register receipt for their records.</p> <p>Stamped yellow copy of Buying Card is kept by Artist as proof of sale.</p>
Festival Purchase Methods	<p>Outdoor Arts Festival sales are by cash, check (with proper ID) or credit card (AMEX, MasterCard, Visa, Discover) made payable to the Arts Center Killingworth.</p>
Sales Tax	<p>Connecticut sales tax is not added by the Artists. The Arts Center collects sales tax from buyers at the Buying Tent to remit to the State of Connecticut. Therefore, artists do not need a Connecticut sales tax registration number to participate in the Festival.</p>
