

Skylark Jazz Trio

Lisa Aranci, Vocalist. Lisa Aranci discovered her love of music at a young age, with guitar lessons and vocal training. Since then, she's been involved in East and West Coast gigging, choirs, and songwriting. She performed in Seattle for 20 years. Today her repertoire is highly versatile- she enjoys performing as a solo artist, with jazz trios, and contemporary folk duos.

Robert Codio, Piano. Robert grew up listening to the sounds of gospel piano every Sunday. He has played internationally- from Connecticut to China. He is currently completing his Master's of Music Therapy, and helps children with disabilities to learn and grow through the healing power of music.

Allan Michaels, Bass. Allan has played bass since 1985 and has performed in California and Connecticut. His style is influenced by Ray Brown and Bob Turek. He is currently performing with both Jazz and Irish groups.

This group performs Sunday from 1-4pm.
