### ABOUT THE FESTIVAL

Art and Summer on the Shoreline returns to the Essex Town Green in the heart of one of Connecticut's most charming historic towns.

### WHAT VISITORS WILL FIND

Visitors can browse and purchase original artwork by painters, photographers, mixed media artists, and fine artisans working in oil, acrylic, watercolor, pastel, photography, collage, pottery, fiber, ceramics, wood, glass, jewelry, and more. The weekend also offers a chance to enjoy Essex's restaurants, New England architecture, scenic views, and welcoming village atmosphere.

### PRESENTED BY

The Festival is presented by the Arts Center Killingworth, a nonprofit organization that offers workshops, classes, and annual arts events for established and beginning artists of all ages. Its gallery extension, Spectrum Gallery and Store, is located nearby at 61 Main Street, Centerbrook, and is currently presenting Forces of Nature, on view through July 3.
