

What Parents Are Saying

Warm reflections from families whose children discovered new skills, creative confidence and lasting friendships at Spectrum Art Gallery.

“

My daughter came home so excited every day after fashion camp. She was especially excited to learn to read a pattern and explore fashion design and sewing more deeply. She really enjoyed connecting with the other girls and loved fashion camp at Spectrum Gallery.

“

My daughter is back for a second year because she absolutely loved participating in the camp last year. So much fun, creativity and friendships. Thank you all!

“

“This is my favorite camp!” fashionista response to her week at fashion camp.

“

This camp is an exceptional experience for those interested in fashion and sewing.

“

My daughter had a wonderful week and was able to use her creativity to express herself. She simply loved the camp!

MORE FROM OUR CAMP FAMILIES

“

My daughter had so much fun and already has said she wants to come back next year!

“

My daughter had such a blast! I was so impressed with her skills and creativity at camp. The guidance was top notch and she walked away excited for next year already!

“

My daughter had a fantastic week! She has already told me that she is coming back next year! She loved all of the girls and came home saying she had made friends. As soon as she was taught how to use her sewing machine, she came home each evening to make clothes for her dolls and purses for family members.
